Tài Trợ Địa Ốc

Your home loan is probably the largest financial commitment that you will make in your life. It is critical that you understand how your home financing fits in with the rest of your future plans, such as retirement, college planning, or investing.

Nếu bạn dự tính tương lai sẽ mua 1 ngôi nhà lý tưởng và muốn đạt được hiệu quả tốt. **Xin liên lạc Chúng Tôi Để Được Hướng Dẫn Đúng Đường Lối và tìm cho thân chủ một trương trình tài trợ thích hợp**

Thuế

As you may probably know, mortgage interest is generally fully tax deductible. For example, if you are in the 33.3% tax bracket, you can effectively lower your income tax by 1/3. An average household income \$72,000 for couple, let's say you incur a \$12,000 worth of mortgage interest & charities, your final saving would be \$4,000. **WHAT CAN YOU DO WITH THIS EXTRA \$\$\$?**
